An overland journey is as much about the journey as it is the famous sites you see. Acacia itineraries include Africa's famed destinations such as Kruger, Masai Mara, Serengeti, Okavango Delta, Namib Desert, Zanzibar and Cape Town, yet they also get off the beaten track, stopping in villages and rural areas untouched by most visitors.

Acacia's small group safaris are great if you are looking for a comprehensive holiday but are restricted to time. Then the below selected trips may suit, ranging from 4 to 10 days in length.
